Heavy Duty Wheel Attachment Hardware

**Outstanding Quality
You Can Depend On!**

Fullco Industries has over 30 years of experience supplying critical wheel attachment hardware. We stock a full inventory of high volume standard parts and sizes, as well as, lower volume specials. We are a market leader in per print special fasteners for heavy duty wheel attachment applications.

Two Piece Flanged Wheel Nuts: For hub piloted wheels

Inner and Outer Ball Seat Wheel Nuts: For stud piloted wheels

Spoke Wheel Studs and Nuts: For cast spoke wheels

Wheel bolts and studs: Inch and Metric sizes in stock

Quality:

All Fullco wheel attachment hardware meets or exceeds SAE J1965 performance specifications and the dimensional specifications of SAE J964. Every production lot is marked for traceability, and tested at independent accredited laboratories for conformity.

Engineering:

Our engineering team will support you through every step of product development- from concept through final production, and service after sale- becoming an extension of your business.

Distribution:

Fullco has shipping options from all of our global locations, including our Headquarters in Sycamore, IL as well as our branches in Nuneaton, UK and Kunshan, China. We also offer tailored Vendor Managed Inventory (VMI) programs to fit your needs, including on-site consignment, Kanban or stock and release programs.
